The diagram illustrates a search for 'Jane Smith' across two different data sources. It is divided into two horizontal sections by a dashed line. The top section shows two identical search results, each consisting of a blue silhouette of a person's head and shoulders above the text 'Jane Smith'. The bottom section shows a single search result with a blue silhouette of a person's head and shoulders above the text 'Jane Smith'. To the right of this single result, the text '+138 results...' is displayed, indicating that there are 138 additional results not shown in this view.
